
Black Lake Bible Camp

Thanks for being interested in helping Black Lake Bible Camp! We run on the power of the Holy Spirit, prayer, and help from volunteers like you! We've assembled a wish-list of projects from around camp that could benefit from your time, attention, and affection! If any of these catch your eye, go on ahead and get ahold of us by sending an email to daniel@blbcolympia.com. Thanks in advance!

Felling Camp Trees

Description: There are roughly 25 trees all around camp that need to be felled, ranging in levels of difficulty.

Materials Needed: Large chainsaw

Skills Needed: Experience with various levels of tree felling

Overall Cost: 8 hours (roughly) of labor

Black Lake Bible Camp

Harmony Springs Amphitheater

Description: The railing and chain link fence surrounding our Harmony Springs Amphitheater has been badly bent by a falling tree. We need this repaired to keep our Junior Campers safe while at the fire pit.

Materials Needed: Tig Welding stick

Skills Needed: Aluminum Welding Experience

Overall Cost: Varied hours

Splitting Firewood

Description: We need tons of firewood to be split and ready for our busy season. We have fires at camp most nights! This is a great project for a family, group of friends, or a youth group to do together.

Materials Needed: Log splitter if possible

Skills Needed: Adult supervision for minors

Black Lake Bible Camp

Pressure Wash Camp

Description: The sidewalks and parking lots of camp need some TLC. Pressure washing is such a luxury for our camp, yet it must take a backseat to some of the other projects consuming our Maintenance team.

Materials Needed: Pressure washer if possible (we can provide one if needed)

Skills Needed: Adult supervision if minor.

Overall Cost: Plan on a full day of volunteer labor

Window Screen Project

Description: Every window screen at camp needs replacing. This will involve measuring, cutting, and replacing the old screens.

Skills Needed: Measuring and cutting ability

Overall Cost: varied hours - takes about 1 hour per screen

Black Lake Bible Camp

Private Cabin Painting

Description: The exterior of our private cabins are due for a paint job! Help us spruce up our camp by lending a hand.

Skills Needed: Basic painting experience (will be supervised)

Overall Cost: 1 day of volunteer labor per cabin (estimated)

Residing Olympic Inn

Description: Our famous Olympic Inn building is in need of new siding. We need to remove all of it and replace it with cedarlap siding.

Materials Needed: Cedarlap siding

Skills Needed: Basic carpentry skills

Overall Cost: \$30,000 estimated supply cost, roughly 120 hours of labor

Black Lake Bible Camp

Blackberry Bushes

Description: We are still working hard on expanding our Waterfront. In order to keep things moving swiftly, we need more hands removing the blackberry bushes surrounding the beach. This is a great project for friends, family, or a youth group to work on together!

Skills Needed: Adult supervision if minor.

Overall Cost: varied hours

Harmony Springs - Spring Clean

Description: Harmony Springs needs some spring cleaning between March - June 2019. We pressure wash our buildings, Tipis, and Wagons and thoroughly clean them inside and out before our Summer Staff arrive in June.

Materials Needed: Pressure washer if possible (we can provide one if needed)

Skills Needed: Adult supervision if minor

Overall Cost: Entire project will take roughly one 8 hour day.
